

## **0608 S bricks**

**The above picture shows our slender 0608 S bricks in a random bond using various sizes:**

**500 mm L x 40 mm H x 110 mm D**

**300mm L x 40mm H x 110 mm D**

**200mm L x 40mm H x 110 mm D**

**The architect and bricklayer did an amazing job to create this beautiful wall.**

**If you are looking for a material that will elevate the design and character of your building project, look no further than our handmade architectural bricks.**

**Architectural Handmade Bricks and Pavers (AHBP) have an "Exposure Grade" (EXP) rating**

**This means they are suitable for aggressive conditions such as high salt environments.**

**Our bricks are easy to clean and will not produce any manganese staining common in many architectural bricks.**

**All AHBP products are handmade and locally produced in Australia, with excellent availability.**

**Colours and blends can be viewed on our website.**

**\*Brick Tiles and Corner Pieces are also available in all our standard colours and blends\***
