Oliveri®

KITCHEN / BATHROOM / LAUNDRY

FROM HUMBLE BEGINNINGS,
WE'VE TAKEN OLIVERI TO THE WORLD.

Featured products:
Santorini sink (ST-WH1550U) and Vilo pull out mixer (VT0398B-AU)

We've come a long way from an unassuming suburban factory where our business began way back in 1947. It was at Watkins and Starr, now Oliveri Solutions, a modest domestic metal fabricator in Adelaide, South Australia, that a highly skilled and dedicated team pioneered the deep drawing process in Australia.

It was the beginning of something extraordinary. Today, Oliveri is Australia's only commercial pressed bowl sink manufacturer and one of this country's best home grown success stories.

Australian made. Global success.

Our design expertise and commitment to quality continue. We now import and distribute a wide range of taps, sinks and water filter systems across nine countries, including Australia, New Zealand, and the USA.

The vast range and superior design of our sinks and taps are enjoyed by homeowners around the world and the Oliveri name continues to be synonymous with style, quality, and home grown success.

Did you know?

Our founders decided on the name 'Oliveri' in a local Adelaide restaurant, by voting on names written on napkins. The accent in Oliveri is the tick that sealed the deal!

Oliveri[®]

Features /

Italian made

Santorini sinks are made in Italy to ensure premium quality and reliability.

Yours for life

This rock solid sink comes with a lifetime manufacturer's warranty* for your peace of mind.

Scratch resistant

This resilient sink is ready to battle your knives and forks. If scuffing or minor scratches do appear, you can gently buff them away.

Heat resistant

The granite is able to withstand thermal shocks and is heat resistant up to 280°C. But we do recommend using a surface protector for hot pots which can reach up to 600°C.

Stain resistant

Dirt and stains can easily be removed by gently wiping the sink with hot water and detergent, and then rinsing.

Easy to clean

An active agent in the sink resists limescale making it easier to clean.

Heat and sound insulation

Helps maintain the water temperature and absorbs noise.

Antibacterial

Removes bad smells and pollutant substances often found in the kitchen.

Spectra

Features /

Coloured steel

This striking sink comes in three colour options:

- Stainless
- Copper
- Gunmetal

Premium finish

A premium PVD coating gives the copper and gunmetal sinks their distinctive colour.

Yours for life

This statement sink comes with a lifetime manufacturer's warranty* for your peace of mind.

Universal installation

The Spectra sink is suitable for top, under and flushmounting.

Contemporary design

The 5mm radius corners complete the contemporary design while still being easy to clean.

Matching accessories

Along with a chopping board and drainer, every Spectra sink comes with a matching bowl protector to protect the bowl from scratching.

Inspired Design /

Oliveri Spectra double bowl sinks come with an inspired design feature in the form of a curved bridge dividing the two bowls. This curved bridge acts as an overflow to safeguard against accidental over filling eliminating the need for an overflow.
