Oliveri®

KITCHEN / BATHROOM / LAUNDRY

FROM HUMBLE BEGINNINGS,
WE'VE TAKEN OLIVERI TO THE WORLD.

The Oliveri Bathroom range is a collection of premium and contemporary bathroom products.

Inspired by the latest design trends and backed by industry leading warranties, the range includes more than 220 products across toilets, basins, showers, taps, baths and accessories.

Each collection has been named after an iconic 'city of style' in Europe and manufactured to the highest standards, through international partnerships with respected factories around the globe.

Offering end-to-end home solutions.

The vast range and superior design of our kitchen, bathroom and laundry products are enjoyed by homeowners around the world and the Oliveri name continues to be synonymous with style, quality, reliability and great customer service.

From humble beginnings, we've taken Oliveri to the world.

We have come a long way from the unassuming suburban factory where our business first began way back in 1947.

It was here in Adelaide, South Australia, that a highly skilled and dedicated team first pioneered the deep drawing sink making process in Australia.

Today, as Oliveri Solutions, our company is the only commercial pressed bowl sink manufacturer in Australia and one of this country's best homegrown success stories.
