Description

Athens Wheelie Bin Enclosures are a masterpiece for easy waste separation and rubbish management. The main body is heavy gauge stainless steel with Monument colour cube cover with internal rubbish sliders. Made in Australia, they are carefully engineered with a heavy duty modular construction and supplied unassembled (Pre-assembly is available – please enquire). Other designs including curved covers, sloping covers, open tops, recycling chutes, custom laser cut patterns, custom cut logos, printed signage, waste stream colour coding and other colours are available – please enquire.

Please Note: It is the customer's responsibility to ensure that the product is suitable for the application and that it is installed in a safe manner based on customers risk analysis.
