Description

Athens Wheelie Bin Enclosures are a masterpiece for easy waste separation and rubbish management. The main body is zinc plated steel with powder coated finish in APO Grey 32786 satin. The top module is polished 304 grade stainless steel. Made in Australia, they are carefully engineered with a heavy duty modular construction and supplied unassembled (Pre-assembly is available – please enquire). Other designs including open tops, recycling chutes, custom laser cut patterns, custom cut logos, printed signage, waste stream colour coding and other colours are available – please enquire.

Please Note: It is the customer's responsibility to ensure that the product is suitable for the application and that it is installed in a safe manner based on customers risk analysis.
