Description

Athens Wheelie Bin Enclosures are a masterpiece for easy waste separation and rubbish management. The main body and top modules are 100% stainless steel – Made in Australia. They are carefully engineered with a heavy duty modular construction and supplied unassembled (Pre-assembly is available – please enquire). Other designs including covered tops, recycling chutes, custom laser cut patterns, custom cut logos, printed signage and other colours are available – please enquire.

Please Note: It is the customer's responsibility to ensure that the product is suitable for the application and that it is installed in a safe manner based on customers risk analysis.
