

# Hinges in onyx black

## It's not just design, it's style!

Dark furniture radiates sleek elegance – inside and out. CLIP top BLUMOTION in onyx black discreetly complements furniture and creates visual impact. It gives you greater scope for designing fine furniture without compromising on form.

## Proven CLIP top BLUMOTION quality

### The secret's inside! Innovative technology within the smallest space

Impeccable, clock-like precision. Integrated BLUMOTION is innovative technology at its best. Delivering soft and effortless closing to cabinet doors.

### Inspiring quality of motion for every door

The closing mechanism and BLUMOTION feature work in harmony so that every door (no matter how small or light) closes with a gentle push.

### Even small doors close softly and effortlessly

The BLUMOTION feature can be deactivated to ensure that even smaller or lighter doors boast top quality motion.

Our dark hinges give you even more creative freedom when designing your furniture.

Create seamless integration or visual impact. The hinge system in onyx black gives you countless possibilities.

CLIP top BLUMOTION onyx black allows you to elegantly combine different thin front materials.

CLIP top BLUMOTION 110°  
standard applications

## Our range at a glance

Our wide range of Blum hinges in onyx black offers the right solution for almost every application. It allows you to turn your design ideas into reality – be it elegant sideboards with thin doors or glass display cabinets.
