
Warranty

Our warranties
are second to none.

Fiberon offers industry-leading warranties covering stain, fade and performance for both residential and commercial applications. Our premium products feature extended warranty terms including a 50-year stain and fade warranty and a lifetime performance warranty.

What do we cover?

Physical Integrity

Fiberon® deck boards are made from high-performance, low-maintenance materials that resist splintering, rotting, cracking, insects and decay.

Stain and Fade Resistance

Our patented PermaTech® cap layer* protects against spills, stains and UV rays.

*Available for select products.

Residential Limited Warranty

Stain, Fade and Performance

Fiberon® decking, railing and fasteners are backed by a Limited Residential Warranty, covering splintering, rotting, cracking, insects and decay.

Commercial Limited Warranty

Stain, Fade and Performance

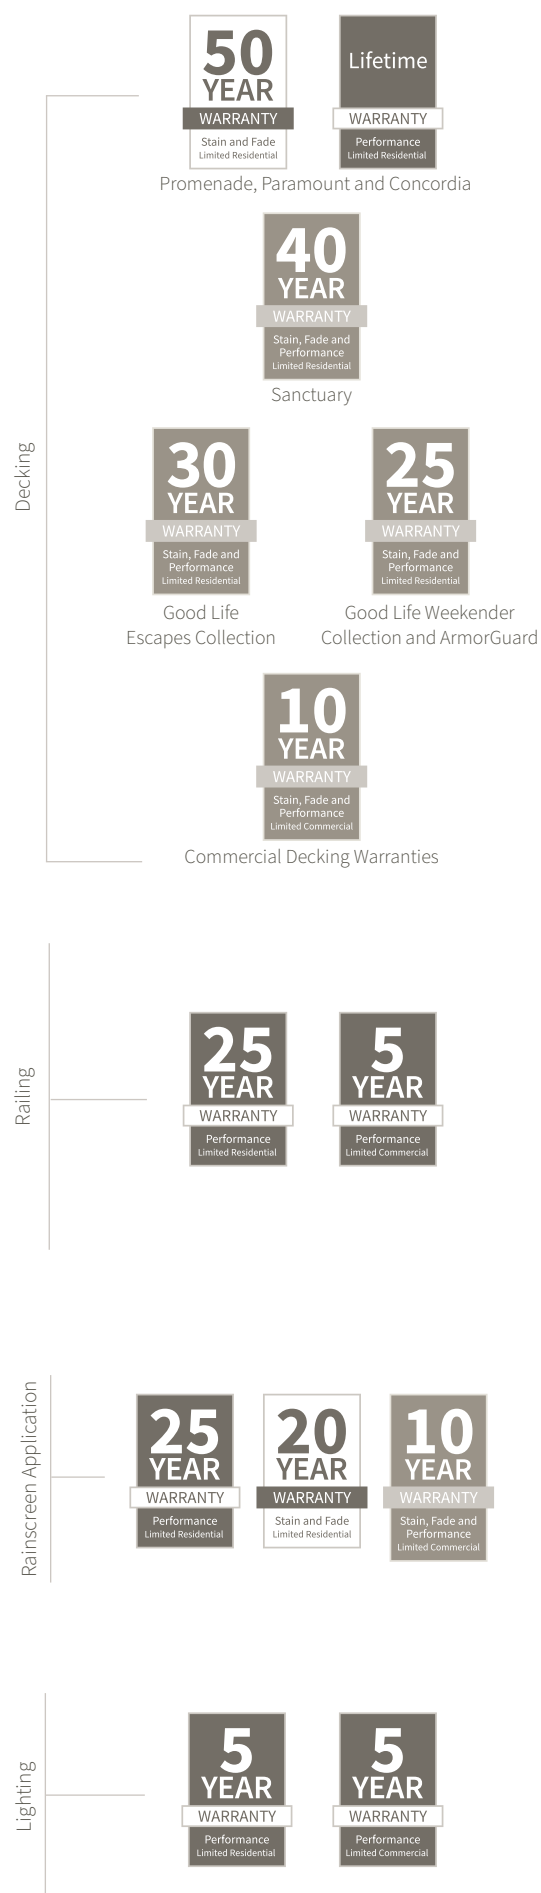

This warranty applies to Fiberon decking, railing and fasteners used in a heavy-duty commercial application, providing added assurance that the specified products will be resistant to splintering, rotting, cracking, insects and decay when properly installed.

Rainscreen Application Limited Warranty

Stain, Fade and Performance

For Residential and Commercial Applications

These warranties apply to Fiberon Concordia™ Horizon® and Symmetry® square-edge decking used in a rainscreen / cladding application.
