Description

The London Bin is a premium product with a carefully designed stainless steel base, frame and lid. The heavy duty plastic liner is removable for easy emptying. The Merbau hardwood slats are machined from sustainably sourced FSC or PEFC certified timber and oiled with Cutek CD50. Natural colour variations and unique characteristics occur in timber which are not defects. Other design options include open tops, powder coated base, pedestal base, mixed blonde hardwood slats, aluminium slats, smooth or patterned sides and lid retainers. Custom sizes, other slat types, and custom powder coat colours are available – please enquire.

Please Note: It is the customer's responsibility to ensure that the product is suitable for the application and that it is installed in a safe manner based on customers risk analysis.
