### Description

The London DDA Seat is a premium product with a carefully designed cast aluminium frame. The Merbau hardwood slats are machined from sustainably sourced FSC or PEFC certified timber and oiled with Cutek CD50. Natural colour variations and unique characteristics occur in timber which are not defects. Other design options include splay leg, straight leg, in-ground, wall mount and plinth mount. Custom lengths, other slat types and custom powder coat colours are also available – please enquire.

Please Note: It is the customer's responsibility to ensure that the product is suitable for the application and that it is installed in a safe manner based on customer's risk analysis.
