Description

The London DDA Table coordinates with both London Series and Madrid Series seating and has a professionally designed cast aluminium frame. The merbau hardwood slats are machined from sustainably sourced FSC or PEFC certified timber and oiled with Cutek CD50. Natural colour variations and unique characteristics occur in timber which are not defects. Other designs including different slat types, custom lengths and custom colours are available – please enquire.

Please Note: It is the customer's responsibility to ensure that the product is suitable for the application and that it is installed in a safe manner based on customer's risk analysis.
