Frame: Zinc Plated Steel – Stainless Steel

Slats: Steel Sides

Description

The London Planter is a premium product with a carefully designed zinc plated steel frame, steel side slats, and a removable recycled plastic liner. The planter can be securely bolted down or left free-standing. Other design options include powder coated black frame, mixed blonde hardwood slats, anodised aluminium slats, and wood grain powder coated aluminium slats. Custom sizes, other slat types, and custom powder coat colours are available – please enquire.

Please Note: It is the customer's responsibility to ensure that the product is suitable for the application and that it is installed in a safe manner based on customer's risk analysis.
