Description

The Madrid Bench is a premium product with a carefully designed cast aluminium frame for mounting on a concrete plinth or landscape walls. The Merbau hardwood slats are machined from sustainably sourced FSC or PEFC certified timber and oiled with Cutek CD50. Natural colour variations and unique characteristics occur in timber which are not defects. Other design options including seats with backrests, custom lengths, other slat types, and custom powder coat colours are available – please enquire.

Please Note: It is the customer's responsibility to ensure that the product is suitable for the application and that it is installed in a safe manner based on customers risk analysis.
