Slats: Enviroslat Walnut Recycled Composite

Description

The Madrid Setting is a premium product with a carefully designed cast aluminium frame. The Enviroslat Walnut recycled composite slats are a heavy duty, maintenance free slat with colour through the full thickness of the material. Other design options include splay leg, arch leg, and in-ground. Custom lengths, other slat types and custom powder coat colours are also available – please enquire.

Please Note: It is the customer's responsibility to ensure that the product is suitable for the application and that it is installed in a safe manner based on customers risk analysis.
