Description

The Milan DDA Setting is a premium Australian Made product with a heavy duty zinc protected and powder coated 8mm steel frame which can be bolted down or left free-standing. The merbau hardwood slats are machined from sustainably sourced FSC or PEFC certified timber and oiled with Cutek CD50. Natural colour variations and unique characteristics occur in timber which are not defects. Other design options include individual seats and benches, 1800mm lengths and armrests for the seats. Custom lengths, other slat types and custom powder coat colours are also available – please enquire.

Please Note: It is the customer's responsibility to ensure that the product is suitable for the application and that it is installed in a safe manner based on customers risk analysis.
