Description

The Paris Table is a premium quality product with a heavy duty 5mm thick zinc plated and powder coated steel frame in Dulux Notre Dame. The Merbau hardwood slats are machined from sustainably sourced FSC or PEFC certified timber and oiled with Cutek CD50. Natural colour variations and unique characteristics occur in timber which are not defects. Other design options are available including custom lengths, other slat types, laser cut logos and custom powder coat colours – please enquire.

Please Note: It is the customer's responsibility to ensure that the product is suitable for the application and that it is installed in a safe manner based on customers risk analysis.
