Description

The Paris Planter is a sleek addition to the Paris suite, used to dress up any landscape area and is an easy solution for plant placement. Manufactured in Australia using a heavy duty aluminium frame and finished with a premium, high-quality powder coat. Can be bolted down or left freestanding. Custom colours are available - modular construction allows for custom colours on individual sections, please enquire.

Please Note: It is the customer's responsibility to ensure that the product is suitable for the application and that it is installed in a safe manner based on customers risk analysis.
