### Description

The Prague Wheelie Bin Enclosure is a premium waste bin, perfect for internal or external placement. It is designed to conceal a 120L wheelie bin and boasts a strong door and heavy duty camlock. Manufactured in Australia from galvanised sheet and finished with a premium, high-quality powder coat. Can be bolted down or left freestanding. Other styles are available including open top neutral options. Custom colours are available - modular construction allows for custom colours on individual sections, please enquire.

Please Note: It is the customer's responsibility to ensure that the product is suitable for the application and that it is installed in a safe manner based on customers risk analysis.
