LIEBHERR

2.4" Touchscreen Display: Located behind the appliance door, this high-resolution and high-contrast 2.4" touchscreen display can be read from any angle. Stored menu options are intuitive and easy-to-operate.

BioFresh: When stored at Biofresh's precisely maintained temperature of 0°C and correct humidity level, nutrients in your food are retained. Our BioFresh drawers fully extend on telescopic rails and feature a self-closing mechanism.

PowerCooling: A high-performance system that allows freshly stored items to be chilled rapidly while maintaining an even temperature throughout the interior. In this energy-efficient BluPerformance range, the fan switches off when the appliance door is opened, saving valuable energy.

Note: Whilst every effort is made to ensure all specifications and information in this flyer are accurate, Liebherr reserves the right to make changes without notification. Where actual appliance measurements, specifications, and ratings are crucial, we recommend that the actual appliance installation instructions that accompany each appliance be checked. Liebherr will not be liable for any loss.

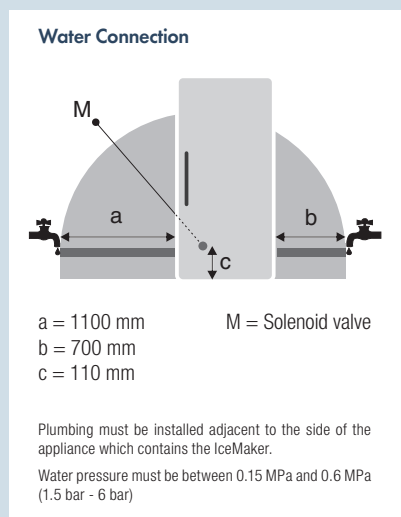

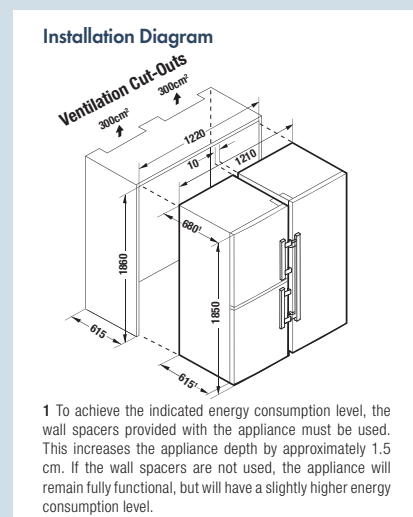

An all-round carefree package for your food: the **SBSes 8474** freestanding Side-by-Side fridge-freezer. From our BluPerformance range, this appliance combines perfect cooling performance for long-lasting freshness, ample storage space, and a classic design.

All its five BioFresh drawers run on telescopic rails and provide optimal storage conditions for your groceries at a temperature of just above 0°C in combination with ideal humidity. Our IceMaker has a fixed water connection and provides ice cubes for every occasion. The SuperCool and SuperFrost functions allow food to be cooled or frozen quickly. And if you need extra storage space, VarioSpace makes it possible.
