MOVEMENT
SERIES

Meganite has been selected
to receive the prestigious

Good Design Award

for their work on the

MOVEMENT
SERIES

The Good Design Awards have an illustrious history spanning 67 years, organized annually by The Chicago Athenaeum Museum of Architecture and Design in cooperation with the European Centre for Architecture, Art, Design and Urban Studies. The Good Design Award is internationally recognized as a hallmark of the best and most outstanding design products across the globe.

Meganite's winning product range, the Movement Series, has been awarded for its break-thru aesthetic, which is unmatched in the acrylic solid surface market today.

Three classic designs inspired by luxurious natural stones which can be applied in a wide range of intensive industry applications including healthcare, food service, education, and more. Ultimately, the seamless duplication of these patterns offers unlimited design potential, and enables any space on any budget to access the appeal of high-end natural stone.
