Made in Italy, by hand
and with passion.

Functionality meets artistry

Made in Italy, by hand and with passion. These Terzofoco basins are designed to elevate your bathroom experience, drawing attention to the unique detail like a piece of art.

Premium Materials

Each Terzofoco basin has a premium glazed finish. The third firing is what represents and distinguishes the Terzofoco design. To make the basins unique, the finishes are applied during the 'third firing' making them strong and durable.

Installation Options

These handmade basins are designed to be installed on a counter top with counter top or wall mounted tapware for a minimalist look to feature the basins unique design.

Lifetime Guarantee

These ceramic sinks are produced to the highest manufacturing standards and are covered by a lifetime warranty for peace of mind.*

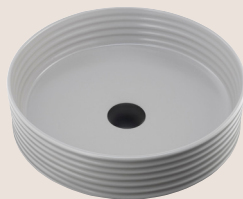

Care and cleaning

Each basin of this collection is handmade. However, in order to help the product age gracefully, we advice to clean the surface gently with water and a mild soap. We recommend to rinse away any trace of soap after use and dry it with a clean soft cloth. Do not allow materials such as toothpaste, nail polish remover, caustic drain cleaner, alcohol or bleach to remain on the surface, they may damage the finish.
