

## Spinnaker

The Spinnaker privacy screen is a stylish Danish Design urinal screen providing privacy and comfort for users in commercial amenities.

The Uridan Spinnaker privacy screen is a strikingly stylish partition that will instantly lift the appearance of any commercial bathroom. Originally designed to complement the design lines of Uridan Admiral, the Spinnaker privacy screen is increasingly specified for commercial and public amenities.

Urinal partitions have become an important part of good amenities design. In addition to adequate spacing between urinals, providing a privacy screen between units enhances user comfort.

## Key Benefits

### **Design:**

uridan are the market leaders when it comes to product design. Each uridan Spinnaker is Danish designed, with our entire range presenting itself like an artist's body of work - each piece being distinctly uridan, and yet individual in its own way.

### **Technology:**

uridan invest heavily in constantly innovating and re-designing each of our products so they are future-ready. The Spinnaker is no different, with it being crafted using class leading manufacturing technology that ensures each Spinnaker is constructed to last a lifetime.

### **Sustainability:**

Every organisation can contribute to the future. uridan is a daily essential that makes the world better by creating products that not only save precious water every day, but have sustainability at the core of each design.
