Description

The Vienna Bench is a premium product with a designer style frame and FSC certified Merbau hardwood slats. Merbau slats are machined from sustainably sourced FSC or PEFC certified timber and oiled with Cutek CD50. Natural colour variations and unique characteristics occur in timber which are not defects. Can be bolted down or left free-standing where suitable. Other designs are available including clear anodised aluminium slats, woodgrain powder coated aluminium slats, seats and table settings plus custom lengths and custom colours – please enquire.

Please Note: It is the customer's responsibility to ensure that the product is suitable for the application and that it is installed in a safe manner based on customers risk analysis.
