Description

The Woodville Angled Bench is constructed with zinc plated & powder coated steel leg frames and clear anodised aluminium slats. The clear anodised aluminium finish is a premium maintenance-free, hard surface finish. Other design options include 45°, 90° and 360° angled benches both in-ground and base plate. Custom lengths, other slat types and custom powder coat colours are also available – please enquire.

Please Note: It is the customer's responsibility to ensure that the product is suitable for the application and that it is installed in a safe manner based on customer's risk analysis.
