

## DECODECK ACCESSORIES

DecoDeck colour-matched accessories are available to help you achieve the perfect aesthetic edging for your unique project.

### COLOUR-MATCHED END CAPS

Sublimated and powder coated in the same colour as your DecoDeck, these end caps slot easily into your decking planks, rounding off each board, hiding the metal ends and giving the impression of real timber planks.

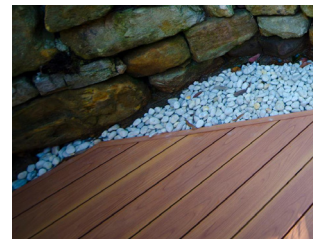

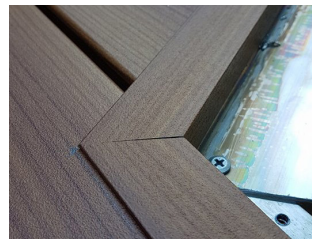

DC-DK105 End Cap 94mm x 25mm

DC-DK205 End Cap 134mm x 25mm

### COLOUR-MATCHED CHANNEL

Sublimated and powder coated in the same colour finish as your DecoDeck, a colour-matched channel runs along the length of your deck, giving it a seamless timber edge, including angles of your deck, and hiding the metal ends of your boards.

Available in 6.5m lengths.
