

STANDARD PRODUCT
METROTABLE Table Set

TOWN&PARK

Product Description:

The Metro Range of Outdoor Seating

The Metro Table Setting, with wheelchair access, is manufactured from marine grade aluminium with stainless steel fixings. The Metro Table Set allows up to 4 meters in FSC 100% hardwood and up to 6 metres in clear anodised extruded aluminium slats. The table settings are supplied with a choice of flat (434mm) or profile (515mm) benches.

Options include edge guards for deterring skateboarders as well as various mounting and material types. The table set can be ordered with the option of a metro seat instead of the profile bench or in a combination with one of each.

Should you require special modifications to suit your specification, please do not hesitate to contact us.
